ABOUT ME

Python Django Developer with hands-on experience building web applications using Python and Django. Skilled in backend development, database management, and creating scalable, user-friendly solutions. Passionate about clean code, problem-solving, and continuous learning.

SKILLS

- **Technical Skills:** Python, Django, DRF, OOP, MySQL, SQLite, HTML5, CSS3, Bootstrap, Git, GitHub
- **Soft Skills:** Problem Solving, Communication, Team Collaboration

EXPERIENCE

- **Django Developer Intern| Maxgen Technologies | July 2025 – December 2025**
  - Assisted in developing and maintaining Django-based web applications, managing databases, and implementing backend functionalities to enhance performance and usability.
  - Worked with MySQL and SQLite databases for data storage, query writing, and backend integration. Developed reusable Django views, models, and templates to speed up development.

PROJECTS

- **Personal Portfolio Website** (https://bhavesh0720.pythonanywhere.com/)
  Tech Stack: Python, Django, HTML5, CSS3, JavaScript, Bootstrap
  A responsive and interactive portfolio website showcasing services, projects, skills, and contact information. Built with Django and deployed on PythonAnywhere.

- **Footwear Master** (https://bhavesh5433.pythonanywhere.com/)
  Tech Stack: Python, Django, HTML5, CSS3, JavaScript, Bootstrap
  Developed an e-commerce website for purchasing footwear, featuring product listings, shopping cart functionality, and secure checkout using Python and Django (hosted on PythonAnywhere).

- **Blogora** (https://blogora.pythonanywhere.com/)
  Tech Stack: Python, Django, HTML5, CSS3, Bootstrap5
  Developed a blog web application for creating, managing, and publishing blog posts. Implemented user authentication, blog creation, editing, and deletion features. Built category-based blog organization and search functionality for easy content access.

EDUCATION

Bachelor of Computer Application | OMVVIM College (2022 - 2025) | CGPA: 8.03
Pursuing Master of Computer Application | B.H. Gardi College (2025 - 2027)
